All Staff,  
PGH Badulla.

SCREENING & FOLLOW UP OF THE WORKING POPULATION ON NON  
COMMUNICABLE DISEASE - PGH BADULLA

With reference to General Circular No. 01-15/2020-01 and DGHS letter dated 7/6/2020. It has been advised to screen all the health staff of the PGH Badulla for Non Communicable Diseases from 1<sup>st</sup> June, 2020.

All the employees of our institute should undergo NCD Screening at NCD Unit from 1<sup>st</sup> June, 2020.

After completion of NCD Screening a report of NCD status will be issued to the employee. It is mandatory to have the NCD screening report for the approval of salary increments here after.

All staff members should complete their NCD screening within one-month duration before the increment date.

Your corporation in this regard highly appreciated.

Thank You.
